2025 Children's Benefit Ball

Diamond Jubilee 60th Annual Children's Benefit Ball

Our 60th Annual Children's Benefit Ball was a success! Thanks to the incredible generosity of everyone who attended and contributed, we raised over \$50,000 to support next year's projects. These funds will go directly toward programs that make a difference in the lives of children in need, providing them with resources, support, and opportunities for a brighter future. We are so grateful to all our life members who continue to show unwavering support year after year. Your dedication makes our mission possible, and we couldn't do it without you. We were truly honored to have three generations of an incredible family attend this year's Diamond Jubilee Children's Benefit Ball! Their family's commitment to our mission is a beautiful reminder that giving back spans generations. Here's to many more years of making a difference together!

Completed Projects

Stockings for Seniors

JA members provided Christmas Cheer to the residents of Stella Manor Nursing Home. Stockings were filled with some of their favorite things like crayons, coloring books, word searches and candy. Filling this need in our community is a great reminder that holidays are magical for all ages.

Toys for CASA

JA partnered with CASA of the 5th Judicial to provide toys for children. Members donated and wrapped new toys from a sign up list provided by CASA. In addition we hosted a toy drive and life members donated new unwrapped toys for children entering the program and other special occasions. Genney Baker with CASA spoke to the chapter about their mission and how our Toy Drive helps impacts lives.
